

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF HARDIN	)	
COUNTY WATER DISTRICT NO. 2 FOR A	)	CASE NO.
CERTIFICATE OF PUBLIC CONVENIENCE AND	)	2017-00264
NECESSITY	)	

ORDER

On July 5, 2017, Hardin County Water District No. 2 (“Hardin No. 2”) filed a notice of its intention to use electronic filing procedures in connection with its intended filing of an application for a Certificate of Public Convenience and Necessity (“CPCN”). On July 5, 2017, the Commission entered an Order regarding the use of electronic filing procedures which, among other things, specified the number of paper copies that are required for each filing. Per the pertinent section of the July 5, 2017 Order, Hardin No. 2 is required to file with its application two copies in paper medium of the maps, plans, specifications, and drawings.<sup>1</sup> The two copies in paper medium are, per 807 KAR 5:001, Section 15(2)(d), in addition to the one copy in portable document format on electronic storage medium.

On July 13, 2017, Hardin No. 2 filed a motion to amend the July 5, 2017 Order of procedure. Hardin No. 2 stated that the plans and drawings are printed on several oversized sheets of papers and that the specifications and contract documents are

approximately 2,000 pages in length.<sup>2</sup> Hardin No. 2 stated that it will incur significant costs if it is required to comply with our July 5, 2017 Order.<sup>3</sup> Hardin No. 2 requested that it be allowed to file only one copy of the maps, plans, specifications, and drawings.<sup>4</sup>

The Commission finds that the July 5, 2017 Order requires Hardin No. 2 to file two copies in paper medium of its maps, plans, specifications, and drawings. We find, in view of the number of pages associated with the specifications and contract documents, good cause has been demonstrated to permit Hardin No. 2 to file, in addition to the one copy in portable document format on electronic storage medium, only one copy of the maps, plans, specifications, and drawings in paper medium.

IT IS THEREFORE ORDERED that:

1. Hardin No. 2's motion to amend the July 5, 2017 Order of procedure is granted.
2. Ordering paragraph 3 of the Commission's July 5, 2017 Order is amended to read:

Any party filing a paper shall upload an electronic version using the Commission's E-Filing System and shall file an original and six copies in paper medium, except that only one copy in paper medium shall be filed of maps, plans, specifications, and drawings pursuant to 807 KAR 5:001, Section 15(2)(d).
